

These medallions are designed for 50mm activity centres. Choose from our standard range of centres, covering most themes / activities, or provide us with the details and we will make you a custom centre*. A plain engraving disc can also be used.

The reverse side of each medallion is used for engraving.
Pricing will include engraving, an activity centre, and a coloured ribbon.

* Custom centres will attract a one-time set-up/artwork fee (enquire in store).
